Make Pete's Feather Crown

Become the brightest bird on the farm | Ages 4-8

What you need

- This page and the template on page 2, printed on thick paper if you have it
- Coloured pencils, crayons or paints
- Child-safe scissors
- Sticky tape or a stapler (ask a grown-up)

How to make it

1. Colour the five feathers on page 2. Make them as bright as Pete's!
2. Cut out the feathers and the long crown strip.
   Grown-up job
3. Tape the feathers along the back of the crown strip so they stand up.
4. Wrap the strip around your head and tape the ends together.
   Grown-up job
5. Strut about like Pete. Show someone your beautiful tail!

Make it your own

Pete's feathers are blue, green and gold. What colours would your feathers be? Add glitter, tag to the front.

Crown Template

Colour, then cut along the dotted lines

Cut multiple bands to fit child's head

CROWN BAND - cut out and wrap around your head

Tape the straight ends of the feathers behind the crown band.
