Try, Try Again

A story about perseverance | Ages 4-8

Kangaroos Played Baseball in My Garden

Pete the Peacock dreams of a spectacular garden, but kangaroos mistake it for a baseball diamond and wreck it. Pete has to decide whether to give up or start again.

Let's Talk About It

1. **How would you feel if your hard work was ruined?**

2. **What did Pete do instead of giving up?**

3. **What is something that took you lots of tries?**

4. **Who could help you if a job feels too big?**

For the grown-up

Perseverance grows when effort is noticed rather than results. Try naming the trying out loud: 'you kept going even when it was tricky'.

Your Turn!
